Mr. Hart Perry
Assistant Chief
International Division
Bureau of the Budget
Washington 25, D. C.

Dear Hart:

I appreciate your suggestion of a few weeks ago concerning Mr.

[redacted]

[redacted] has completed a Personal History Statement and been interviewed. We have also looked into rather thoroughly the possibility of using him in the Agency at his present grade. Everyone seems to be well impressed with his background, and those who have seen his work have a high regard for him. However, our present personnel ceiling makes vacancies at his level extremely scarce, and a number of people already with us are bucking for what few there are.

Under the circumstances, we have no alternative but to tell Mr. [redacted] that we do not have a suitable vacancy at this time. Our Office of Personnel will be in touch with him, but I wanted you to know that we had considered the case most carefully.

Sincerely,

/s/

L. K. White
Deputy Director
